CITY OF UNION CITY PROCLAMATION

March is American Red Cross Month

WHEREAS, American Red Cross Month is a special time to recognize and thank our Everyday Heroes – those who reach out to help people in need; and

WHEREAS, the American Red Cross heroes help disaster victims recover. They give blood to help a hospital patient. They brighten the day of an injured service member. They step forward to help someone having a heart attack; and

WHEREAS, in Union City, the American Red Cross Bay Area Chapter serves more than 4.5 million people in Alameda, Contra Costa, Marin, San Francisco, San Mateo and Solano counties;

WHEREAS, across the country and around the world, the American Red Cross responded to disasters. The American Red Cross provides disaster relief, supports American military families, helps provide more than 40% of America's blood supply, is the nation's leading provider of health and safety courses, such as CPR, First Aid and Lifeguard training and every year assists more than 100 million people across the globe.

WHEREAS, we dedicate the month of March to all those who support the American Red Cross mission to prevent and alleviate human suffering in the face of emergencies. Our community depends on the American Red Cross, which relies on donations of time, money and blood to fulfill its humanitarian mission.

NOW, THEREFORE, the City Council of the City of Union City, hereby proclaims the month of March 2016, as **American Red Cross Month** in the City of Union City, and encourages all residents to be cognizant of the compassion, courage, character, and civic duty inherent in the Red Cross mission to prevent and relieve human suffering.

Minutes of the Special Joint City Council and Planning Commission Attachment Meeting Held on February 3, 2016

REVISED CITY OF UNION CITY MINUTES FOR THE SPECIAL JOINT SESSION OF THE CITY COUNCIL AND PLANNING COMMISSION THURSDAY, FEBRUARY 4, 2016, 6:00 P.M. IN THE COUNCIL CHAMBERS OF CITY HALL 34009 ALVARADO-NILES ROAD, UNION CITY, CALIFORNIA

I. <u>ROLL CALL</u>:

CITY COUNCIL:

Mayor Carol Dutra-Vernaci Vice-Mayor Emily Duncan Councilmember Jim Navarro Councilmember Lorrin Ellis Councilmember Pat Gacoscos

PLANNING COMMISSION:

Chairperson Ray Gonzales Jr. Vice-Chair Harpal Mann Commissioner Lee Guio Commissioner Jo Ann Lew Commissioner Dave Sweilem

II. ORAL COMMUNICATIONS:

Paul Ferrario, 34011 10th Street, Union City, CA stated that he wanted to say a few points about the General Plan update. Mr. Ferrario urged the Council and Commissioners to protect Decoto residents from eminent domain and he says this because of last weeks General Plan workshop in Decoto where the consultants stressed ABAG's power over Union City almost as if the city's hands are tied for what might come down in the future. Mr. Ferrario gave the example of a vacant lot in Decoto and the City's obligation to inform ABAG about that open lot and how many housing units to be built upon it. Mr. Ferrario stated that our City's General Plan website states that our city must do its fair share to solve the regions housing problem. Mr. Ferrario stated that the website give developers a very warm invitation to join the process and our concern is that parts of Decoto shouldn't be sacrificed for something like we see at the Fruitvale BART station, huge concrete parking multi-level structure and a huge multi-level high density housing. Mr. Ferrario stated that over the generations the Decoto community residents have done their fair share for the community. Mr. Ferrario asked the council and commission to please in your power through this process please protect our Decoto residents from eminent domain.

III. <u>CITY COUNCIL MATTERS:</u>

A. Consider authorizing LEO Express to utilize the Union City City Seal in support of its efforts to establish a door-to-door rail service in the Bay Area pursuant to Chapter 1.08 of the Union City Municipal Code.

Mayor Carol Dutra-Vernaci gave background on this request to use the Union City City Seal by a private company that would like to construct and build the Dumbarton Rail connection.

Mayor Dutra-Vernaci made a motion to approve the company LEO Express to use the Union City City Seal.

Councilmember Navarro seconded

XI. SECOND ORAL COMMUNICATIONS

Barry Ferrier expressed concern over the increasing delay of response times for medical calls as discussed at the most recent Fire Advisory Commission meeting and noted the contract for the current ambulance company was up for negotiation.

City Manager Acosta stated he had recently been briefed about the matter and with Council direction, he will request a formal report on response times from Chief Rocha. To preview what may be said, delayed response times in Union City are due to (1) poor geographic distribution of fire station, (2) street layouts and (3) traffic.

Council gave direction to proceed with a request for a formal report.

XII. SCHEDULED ORAL COMMUNICATION - None

XIII. ITEMS REFERRED BY COUNCIL

Oral Reports by Mayor and Councilmembers on meetings of County or Regional Board and Commissions

Alameda County Fire Department Advisory Commission – Councilmember Navarro stated he attended the Commission meeting on February 18. Agenda Item

DATE: 3/8/2016

TO: HONORABLE MAYOR AND CITY COUNCIL

FROM: CORINA HAHN, COMMUNITY & RECREATION SERVICES MANAGER

SUBJECT: APPROPRIATE FY 2015/16 GRANT FUNDS FROM THE NATIONAL PARKINSON'S FOUNDATION IN THE TOTAL AMOUNT OF \$13,800 TO THE COMMUNITY & RECREATION SERVICES DEPARTMENT

The Community & Recreation Services staff recommends acceptance and appropriation of grant funding from the National Parkinson's Foundation in the amount of \$13,800.

BACKGROUND

The National Parkinson's Foundation is providing annual grants to provide services to people with Parkinson's and increase education and awareness about Parkinson's. A resident with Parkinson's brought to the department's attention that there are little or no Parkinson's support services or exercise classes in Southern Alameda County. It is estimated there are over 1,400 people with Parkinson's in the Tri City area. The National Parkinson's Foundation and local Parkinson's community were enthusiastic of Union City providing a model to other municipal recreation departments in the area.

DISCUSSION

The Community & Recreation Services Department will use the grant funds to train and certify current group exercise instructors and offer specialty exercise classes that are highly beneficial to the Parkinson's community as well as the general public. The department is also committed to provide four outreach classes to neighboring recreation departments and senior centers to increase awareness and community education.

FISCAL IMPACT

Acceptance and appropriation of \$13,800 in grant funding to the Community & Recreation Services department will be used to comply with grant requirements.

RECOMMENDATION

It is recommended that the City Council accept and appropriate FY 2015/16 grant funds from the National Parkinson's Foundation in the amount of \$13,800 to program account 1110-5199-51027.

Agenda Item

DATE: 3/8/2016

TO: HONORABLE MAYOR AND CITY COUNCIL

FROM: ROBERTO MUNOZ, RECYCLING AND SOLID WASTE MANAGER

SUBJECT: A RESOLUTION APPROVING A SUPPLEMENTAL APPROPRIATION IN THE AMOUNT OF ONE HUNDRED AND TWENTY THOUSAND DOLLARS (\$120,000) FROM SOLID WASTE MANAGEMENT FUND (2030) TO SOLID WASTE AND RECYCLING PROFESSIONAL/CONSULTING ACCOUNT (2030-1201-20021-54110) FOR UNBUDGETED CONSULTING SERVICES

A resolution has been prepared authorizing a supplemental appropriation in the amount of One Hundred and Twenty Thousand Dollars (\$120,000) from the Solid Waste Management Fund (2030) to the Solid Waste and Recycling Professional/Consulting Services Account (2030-1201-20021-54110), for unbudgeted consulting services. Staff recommends approval of the proposed resolution.

BACKGROUND

The City is party to agreements with: (1) Allied Waste Services (dba Republic Services) for Solid Waste, Recyclable Materials and Organics Materials Collection Services; (2) Tri-City Economic Development Corporation (Tri-CED) for Recyclable Materials Collection and Processing Services and (3) BLT Enterprises of Fremont, L.L.C. for Transfer Services.

Due to the importance and complexity of the services involved, changes in solid waste management practices and related technologies, the high level of industry regulation, and the significant financial commitments involved, the City requires assistance from consultants with significant experience and expertise in waste collection, diversion and disposal issues.

DISCUSSION

The adopted City budget for FY 2015-16 appropriated funds for consulting services during contract negotiations with the City's solid waste and recycling service providers, and for review of the rate applications submitted annually by the contractors.

While talks with Tri-CED successfully concluded in October 2015 with a long term extension (through 2025) of the recycling franchise agreement, negotiations with Republic Services on an amended and restated solid waste franchise agreement continue, but are expected to conclude soon. Concurrently, the City and BLT Enterprises

commenced negotiations to settle two contractor claims: (1) BLT's Notice of Extraordinary Review and (2) the City's delivery obligations per the Transfer Services Agreement. And per the franchise agreement, Republic Services recently submitted its rate application for Rate Year 2016-17.

Consultant support during contract negotiations and as part of the annual rate review process is essential to protecting and meeting the City's needs. Due to extended contract discussions with the City's solid waste contractor, new negotiations with the transfer station operator and the required performance of a detailed review of Republic Services rate application, additional funding is for professional/consulting services is requested.

FISCAL IMPACT

The funds requested for additional consulting services are available in the fund balance of the Solid Waste Management Fund (2030), which contains the accumulated annual levies from the secured property tax rolls that are assessed to all residential parcels in Union City. This fund has been used for consultant and legal expenses required to procure and manage the Franchise Agreements that are used to provide waste/recyclable materials collection, processing and disposal. The proposed supplemental appropriation will reduce the Solid Waste Management Fund (2030) by One hundred and twenty thousand dollars (\$120,000), leaving a current balance in the fund estimated at One million five hundred and fifty-one thousand seven hundred and thirty-four dollars (\$1,551,734).

RECOMMENDATION

Staff recommends that the City Council adopt a Resolution approving a supplemental appropriation in the amount of One Hundred and Twenty Thousand Dollars (\$120,000) from the Solid Waste Management Fund (2030) to the Solid Waste and Recycling Professional/Consulting Services Account (2030-1201-20021-54110) for unbudgeted consulting services.

Agenda Item

DATE: 3/8/2016

TO: HONORABLE MAYOR AND CITY COUNCIL

FROM: ROBERTO MUNOZ, RECYCLING AND SOLID WASTE MANAGER

SUBJECT: RESOLUTION OF THE CITY COUNCIL AUTHORIZING A SOLE SOURCE AGREEMENT IN THE AMOUNT OF SEVENTY-FIVE THOUSAND FIVE HUNDRED AND EIGHTY-FIVE DOLLARS (\$75,585) WITH HF&H CONSULTANTS, LLC TO PERFORM THE REQUIRED REVIEW OF THE RATE ADJUSTMENT APPLICATION FOR THE RATE YEAR ENDING JUNE 30, 2017 FROM REPUBLIC SERVICES

A resolution has been prepared authorizing a sole source agreement in the amount of \$78,585 with HF&H Consultants, LLC (HF&H) to perform the required review of the rate adjustment application for the rate year ending June 30, 2017 from Republic Services of Alameda County (Republic Services) Staff recommends approval of the proposed resolution.

BACKGROUND

On January 6, 2005 the City entered into a franchise agreement with BFI Waste Systems (subsequently, Allied Waste and now Republic Services) for solid waste, recyclable materials and organic materials collection services. The initial term of the agreement was 10 years, but it was extended to June 2016 to allow the City and contractor to negotiate a long term contract extension.

Per the extended franchise agreement, a formal rate review process is required annually to determine the new service rates to be charged for the collection and processing of municipal solid waste, organic waste, and recyclable materials. Republic Services recently submitted to the City its rate application for Rate Year 2016-17.

DISCUSSION

HF&H Consultants, LLC (HF&H) proposes to perform the detailed review of the rate adjustment application from Republic Services for the rate year ending June 2017 at a cost of \$75,585.

HF&H has a lengthy track record of superior performance for the City of Union City in all phases of solid waste and recycling services. Since 2005, the consulting firm has carefully reviewed and recommended adjustments to the rate applications submitted by the City's solid waste and recycling contractors, and provided detailed analysis and guidance to the City during the annual setting of rates for collection services.

As a result of this unique experience and performance record, staff recommends that HF&H be retained to conduct the 2016-17 rate review on a sole source basis, without competitive bids. The HF&H rate review proposal dated January 5, 2016 is attached to the proposed resolution as Exhibit A. Utilizing the services of HF&H Consultants is an efficient and effective use of resources.

FISCAL IMPACT

The funds required for the proposed sole source agreement with HF&H are available in the fund balance of Fund 2030, the Solid Waste Management Fund, which contains the accumulated annual levies from the secured property tax rolls that are assessed to all residential parcels in Union City. This fund has been used for consultant and legal expenses required to procure and manage the Franchise Agreements that are used to provide waste/recyclable materials collection, processing and disposal.

RECOMMENDATION

Staff recommends that the City Council adopt a Resolution authorizing a sole source agreement in the amount of Seventy-five thousand five hundred and eighty-give dollars (\$75,585) with HF&H Consultants, LLC to perform the required review of the rate adjustment application for the rate year ending June 30, 2017 from Republic Services.

Re: Proposal to Perform a Review of the Rate Adjustment Application for the Rate Year Ending June 30, 2017 (Rate Period 12) from Republic Services

Dear Mr. Muñoz:

HF&H Consultants, LLC (HF&H) is pleased to respond to your request for a proposal to assist the City of Union City (City) by performing a review of the rate application for the rate year ending June 30, 2017 from Republic Services (Republic).

This letter describes our proposed approach, scope of work and limitations, project team, anticipated schedule and deliverables, and fee estimate for performing the review. We will be pleased to discuss any of these matters with you and revise our proposal to ensure it meets your requirements.

PROPOSED APPROACH

Our approach to this engagement is to objectively follow the compensation adjustment terms of the agreement between Republic and the City. When performing the procedures described in the agreement, we will rely on Republic's current, year-to-date financial results of operations, copies of transactions, operations and other information provided by Republic, Republic's proposal to the City, and industry standards. The results of our review and our findings will be documented by the staff performing the engagement and reviewed by the Engagement Director. This documentation will be available to the City and Republic for review of the basis for, and calculation of, our adjustments prior to the submission of our written report. A draft of our written report will be presented to Republic and the City before the final report is submitted to the City.

While taking direction from the City, we will work cooperatively with Republic in an open and transparent manner to ensure that they: understand the procedures we will be performing and our preliminary findings; have an opportunity to correct any misunderstandings we may have acquired; and, understand the reasons for any adjustments to their application that we may recommend to the City. We have a history of successfully working with Republic staff in past reviews for the City and in the performance of multiple projects for the Central Contra Costa Solid Waste Authority and the City of Milpitas.

Mr. Roberto Muñoz January 5, 2016 Page 2 of 5

SCOPE OF WORK AND LIMITATIONS

The agreement and guidelines provide specific direction regarding the scope of work and we have summarized these in Attachment A.

Every engagement has certain limitations. The principal limitations of this engagement are:

- Our review is substantially different in scope than an examination in accordance with Generally Accepted Auditing Standards, the objective of which is the expression of an opinion regarding financial statements taken as a whole. Accordingly, we will not express such an opinion.
- The hours estimated to perform the procedures described (see Attachment B) are reasonable, based on our professional experience, and represent a limitation to the procedures to be performed. Should we believe additional hours are required to address unusual conditions, we will obtain City approval before proceeding.
- Our conclusions will be based in part on the review of Republic's projections of its financial results of operations. Actual results of operations will usually differ from projections because events and circumstances frequently do not occur as expected and the difference may be significant.
- Our scope of work does not include the development of alternative rate structures.
- Our scope of work does not include any tasks related to any public notice requirements under Proposition 218.

PROJECT TEAM

HF&H Special Qualifications

Our long-term, statewide experience coupled with our in-depth experience with the City's programs, franchise agreement, compensation methodology, and Republic make us uniquely qualified to perform this review for the City.

- Since its founding over 26 years ago, HF&H Consultants, LLC has performed more than 450 independent solid waste rate review engagements throughout California and the West Coast.
- HF&H managed the sole-source negotiation process with Tri City Economic Development Corporation (Tri-CED) that resulted in an amended and restated agreement.
- HF&H is currently managing the sole-source negotiation process that will result in an amended and restated agreement with Republic.
- We drafted the current agreement between the City and Republic for solid waste, recyclable materials, and organic materials.

Mr. Roberto Muñoz January 5, 2016 Page 3 of 5

> HF&H performed the detailed review of Republic's rate applications for rate periods three, six and nine and assisted the City during the subsequent index-method rate adjustment for rate periods four through eleven.

Team Member Qualifications

HF&H is a recognized expert in the area of solid waste management consulting in California, having conducted more than 1,900 engagements for more than 450 communities. We have assigned two senior staff that have more than 50 years of financial and industry experience to apply to the review. Such experience is unparalleled.

I will serve as Engagement Director. I am a Certified Public Accountant with over 30 years of accounting and auditing experience, over 20 of which have been in the solid waste industry. I recently managed the contract negotiations between the City and Republic and I have managed the rate reviews for the City since 2006. Additionally, I have managed the rate reviews for the Marin Franchisors Group and the cities of Milpitas and Pacifica. Prior to joining HF&H over ten years ago, I was a regional and district controller for Allied Waste.

Colleen Costine, an accountant with more than 20 years of industry experience, will serve as Engagement Manager. Ms. Costine has participated in the rate reviews for the City since 2007 and she has worked on the Central Contra Costa Solid Waste Authority rate review for the past seven years. Additionally, Ms. Costine worked on rate reviews for the Cities of Alameda, Pacifica and Sunnyvale, the County of Stanislaus, and the Marin Franchisor's Group. She will supervise and review the work performed by the staff assigned to the project to ensure that it is performed in accordance with the proposed scope of work, our detailed work plans, and meets the City's objectives.

Other staff may be assigned to perform specific tasks for which they are qualified under the supervision of Ms. Sheehan or Ms. Costine.

ANTICIPATED SCHEDULE AND DELIVERABLES

Based on the procedures described in the Franchise Agreement for performing the review of Republic's application for compensation for Rate Period 12, we developed the following preliminary schedule for the performance of the engagement and delivery of key work products.

Mr. Roberto Muñoz January 5, 2016 Page 4 of 5

| Task | Deliverable | Completion Date |
|---|---|------------------------|
| Commence Engagement | Kick-off Agenda and Requests for Information and Documents | January 11, 2016 |
| Review of Republic's Application for Rate Period 12 | Adjustment Schedule | March 15, 2016 |
| Determine Republic's Compensation for Rate Period 12 | Draft Report | April 1, 2016 |
| Negotiate with Republic regarding Compensation | Final Report | April 29, 2016 |
| Perform Review of Republic's City Fee Payments (Optional Task) | Adjustment Schedule | April 29, 2016 |
| Council Presentation | Presentation | To be Scheduled |

Table 1 Anticipated Schedule and List of Deliverables

At the commencement of the engagement, we will meet with City staff and Republic's management to review and agree upon a final, more-detailed schedule for the performance of the engagement. We are prepared to commence this engagement promptly and pursue the completion of the engagement diligently. Nevertheless, we are dependent on the performance of certain activities by persons outside our control. Should the engagement become delayed for any reason, we will immediately notify the City.

Fee Estimate

Our fee proposal, presented in Attachment B, is \$75,585 based on the detailed task descriptions described in Attachment A and the estimated 446 hours to perform the tasks by the people assigned at their standard billing rates.

The level of effort to perform the services described can vary tremendously depending on:

- The completeness, clarity, and mathematical accuracy of Republic's application for compensation.
- Republic's cooperation, and that of its subcontractors.
- The number and complexity of questions and issues that arise during the review process.
- The number of meetings with City staff and/or Republic.

We made our best effort to anticipate the nature and time to perform the analyses required. Depending on the outcome of the items listed above and other factors, our level of effort may be greater than or less than we anticipated.

HF&H proposes to bill the City on a time-and-materials basis for actual work performed, plus direct expenses (incurred on your behalf related to this project) not to exceed an agreed-upon budget for our scope of services. We will bill the City on a monthly basis. Our hourly professional fees, direct expense

policies, billing policies, and invoicing and payment procedures are presented in Attachment C. We do not anticipate using any supplies or consumables for performance of this project, with the exception of office paper for report production.

We sincerely appreciate the continued confidence you have expressed in HF&H and we are committed to do our best to fulfill your objectives. Should you have any questions, please call me at (925) 977-6961.

Sincerely,

Attachment A Scope of Work

Republic's application includes the cost of operations performed directly by Republic and those operations performed by its subcontractor, Tri Cities Economic Development Corporation (Tri-CED). Therefore, the scope of work includes the review of Republic's books and records and the books and records of Tri-CED for its operations performed as a subcontractor.

Task 1 - Review of Republic's Application for Rate Period Twelve

We propose to review Republic's application by performing the following subtasks:

Subtask 1a: Prepare for and meet with Republic and Tri-CED to receive the application and obtain an explanation for any changes in their compensation for Rate Period 12; provide an initial request for documents and information that are necessary for the conduct of our review; identify the individuals with whom we will be working; and, establish a schedule for the conduct of our field work.

Subtask 1b: Review the application for compliance with the Agreement between the City and Republic (Agreement) (Section 11.3.A.2 and Exhibit 11.2.C); notify Republic, Tri-CED and the City of any areas of non-compliance; and request information necessary to bring the application into compliance.

Subtask 1c: Review the application for mathematical accuracy and logical consistency; notify Republic and the City of any areas of inaccuracy or inconsistency, requesting corrections as necessary.

Subtask 1d: Reconcile the Rate Period Ten revenues and expenses reported in the application to Republic's general ledger; review the reasonableness of any adjusted costs in accordance with Exhibit 11.2.C.3.A.1 of the Agreement.

Subtask 1e: Review the allocations of costs between the operations provided for the City and other jurisdictions served by Republic and Tri-CED to determine proper and consistent application of the allocation methodologies.

Subtask 1f: Review the calculation of, and support for, any adjusted Rate Period Ten labor, vehiclerelated costs, and other costs. Review for non-allowable costs as noted in Exhibit 11.2.C.3.A.2 of the Agreement.

Subtask 1g: Review the calculation and support for Republic's forecast of Rate Period 12 labor, vehicle, recyclable and organics material processing costs, and other costs, in accordance with Exhibit 11.2.C.3.A.3 of the Agreement.

Subtask 1h: Calculate an allowed profit, based on the adjusted forecasted Rate Period 12 operating costs eligible for profit, in accordance with Exhibit 11.2.C.3.B of the Agreement.

Subtask 1i: Review the calculation and support for Republic's forecasted pass-through costs, including disposal, lease costs, and regulatory fee expense in accordance with Exhibit 11.2.C.3.C and Exhibit 11.2.C.3.F of the Agreement.

Subtask 1j: Review the calculation of the Rate Cap Adjustment, if applicable, for Republic's forecast of Rate Period 12 operating costs, in accordance with Exhibit 11.2.C.3.D of the Agreement.

Subtask 1k: Prepare and review our work papers documenting the results of our analysis and our preliminary findings.

Subtask 1I: Meet with Republic and Tri-CED via conference call to review our preliminary findings, receive their comments and any additional information, and adjust our preliminary findings, as appropriate.

Task 2 – Determine Republic's Compensation for Rate Period 12

We propose to determine Republic's compensation for Rate Period 12 by performing the following subtasks:

Subtask 2a: Summarize allowed operating costs, profit, and pass-through costs and calculate Republic's Rate Period 12 compensation based on the findings from our review of Republic's application in Task 1, above.

Subtask 2b: Prepare and review our work papers documenting the results of our summary and calculations and our preliminary calculation of Republic's Rate Period 12 compensation.

Subtask 2c: Meet via conference call with Republic to review our preliminary findings, receive their comments and any additional information, adjust our preliminary calculations as appropriate, and present our adjusted calculations to the City.

Task 3 – Review of Revenue Generated from Customer Billings

We propose to review the revenue generated from customer billings in order to assess the reasonableness of the Gross Rate Revenues for the most-recently reported 12-month period as reported by Republic. We do not propose to review the accuracy of the property tax rolls, which generate the payment of basic residential services. We would be willing to perform such a review as a separate engagement with the City. We will perform the following subtasks:

Subtask 3a: Review the current customer subscription data received from Republic multiplied by the current rates. Additionally, we will review number of roll-off pulls for the most recent 12 months ending November 30 to forecast revenue, plus all ancillary charges.

Subtask 3b: Confirm that the current rates from Republic's revenue projections agree to the Cityapproved rate schedule.

Subtask 3c: Review the service levels submitted by Republic are reasonable based on the prior year's rate review data.

Subtask 3d: Review work papers and preliminary findings.

Task 4 – Communication of Findings

We propose to assist the City in the negotiation of any matters that remain unresolved related to Republic's compensation in order to reach an agreement between the City and Republic on compensation for Rate Period 12 by performing the following subtasks:

Subtask 4a: Objectively summarize Republic's and our position on any outstanding matters by means of a Draft Report.

Subtask 4b: Prepare for, attend, and participate in a meeting with the City and Republic to reach agreement on the resolution of any unresolved matters.

Subtask 4c: Review and adjust rate structures as directed by City.

Subtask 4d: Prepare exhibits related to final rates.

Subtask 4e: Present final report to City.

Task 5 – Review of City's Tax Roll Payment Calculation to Republic

We propose to prepare an estimate of Republic's quarterly payment from the City's tax roll billings and then revise it once the actual billings are received from the City's tax roll consultant.

Task 6 – Review of Republic's City Fee Payments

We propose to review Republic's City Fee Payments for the most recent fiscal year. Our review will be limited in nature, focusing primarily on the calculation methodology. Our samples will be judgmental in nature and will not provide statistically valid results.

Subtask 6a: Obtain (from Republic) the City fee calculation worksheets for the 6 months ending June 30, 2015 and for the 6 months ending December 31, 2015 and review them for mathematical accuracy, researching any discrepancies.

Subtask 6b: Reconcile the amount due the City from City fee worksheets to the City's records and research any discrepancies.

Subtask 6c: Test for proper inclusion or exclusion of customer accounts in the City fee calculations.

Subtask 6d: Review the commercial organics subsidy component of the City Fee payment to determine proper calculation based on prior year's assumptions.

Subtask 6e: Review work papers and preliminary findings.

(Effective January 1, 2016)¹

Professional Fees

Hourly rates for professional and administrative personnel are as follows:

| Position | Rate |
|--|---------------|
| President | \$270 |
| Senior Vice President & Vice President | \$250 - \$269 |
| Senior Project Manager | \$230 - \$235 |
| Senior Associate/Project Manager | \$195 - \$219 |
| Associate Analyst | \$150 - \$170 |
| Assistant Analyst | \$110 - \$115 |
| Administrative Staff | \$105 |

Direct Expenses

Standard charges for common direct expenses are as follows:

| Automobile Travel | Prevailing IRS mileage rate |
|------------------------------------|-----------------------------------|
| Document Reproduction | 15 cents per page (black & white) |
| | 75 cents per page (color) |
| Facsimile | No charge |

Billing Policies

Our policy is to bill for our services and direct expenses based on the standard hourly rates of the staff member assigned, multiplied by the time required to perform the client-related tasks, plus the subcontractor services as described above. In implementing this policy we adhere to the following practices:

- It is our standard practice to e-mail invoices to our clients, although hard copies of invoices can be sent to clients on request.
- We round to the nearest one-half hour (e.g., if two hours and 50 minutes are spent on a task, it is recorded as three hours, if two hours and 10 minutes are spent on a task, it is recorded as two hours). A minimum charge of one-half hour is charged for any client work performed in a day.

42

¹ Litigation Support and Expert Witness Services are not covered by this schedule of fees and expenses.

Attachment C Standard Hourly Rates and Billing Arrangements

- We attempt to schedule travel time before and after normal work hours and we do not bill for this time. If travel occurs during normal work hours and we can use public conveyances, we attempt to use the time productively for the benefit of the client or for another client and this time is billed to the appropriate client. If we must travel during business hours and cannot use the time productively or use a public conveyance, we bill the time to the client on whose behalf we are traveling.
- Because public meetings (e.g., Board of Supervisors, City Council, and Board of Directors meetings) generally occur after business hours and are not conducted in accordance with strict schedules, our standard policy is to bill a minimum two-hour charge.
- We do not mark up out-of-pocket expenses, however, we may charge administrative or professional time related to the provision of the goods and services associated with these charges. Costs for outside consultants and subcontractors are billed at actual cost plus a 15 percent administrative fee.
- Mileage fees are based on the round-trip distance from the point of origin.
- If a client's change to a previously scheduled meeting results in penalties being assessed by a third party (e.g., airline cancellation fee), then the client will bear the cost of these penalties.

While no minimum fee for a consulting engagement has been established, it is unlikely (given the nature of our services) that we can gain an understanding of a client's particular requirement, identify alternatives, and recommend a solution in less than twenty-four hours.

Insurance

We maintain the following policies of insurance with carriers doing business in California:

- Comprehensive General Liability Insurance (\$2,000,000)
- Workers' Compensation (\$1,000,000)
- Professional Liability Insurance (\$2,000,000)
- Hired and Non-Owned Auto Liability (\$1,000,000)

All costs incurred in complying with special insurance, licensing, or permit requirements, including but not limited to naming client as an additional insured and waiver of subrogation, become the responsibility of the client and are not included in the fees for services or direct charges but are billed in addition to the contract at cost, plus any professional or administrative fees.

Attachment C Standard Hourly Rates and Billing Arrangements

Invoices and Payment for Services

Our time reporting and billing system has certain standard formats that are designed to provide our clients with a detailed invoice of the time and charges associated with their engagement. (We typically discuss these with our clients at our kick-off meeting.) We are also pleased to provide our clients with a custom invoice format but we will have to bill the client for any additional costs associated with their unique requirements.

Billings for professional services and charges are submitted every month, in order that our clients can more closely monitor our services. A late fee of one and one-half percent per month is applied to balances unpaid after thirty (30) days.

Agenda Item

DATE: 3/8/2016

TO: HONORABLE MAYOR AND CITY COUNCIL

FROM: MINTZE CHENG, PUBLIC WORKS DIRECTOR

SUBJECT: ADOPT A RESOLUTION AUTHORIZING THE EXECUTION OF THE CERTIFICATIONS AND ASSURANCES AND AUTHORIZED AGENT FORMS FOR THE LOW CARBON TRANSIT OPERATIONS PROGRAM (LCTOP) FOR UNION CITY TRANSIT PROGRAM

The attached resolution authorizes the City Manager or his designee to execute required certifications and assurances for the usage of the Low Carbon Transit Operations Program (LCTOP).

BACKGROUND

Assembly Bill 32 (AB 32), the California Global Warming Solutions Act of 2006, took a long-term, comprehensive approach to addressing climate change and its effects on the environment and natural resources. The legislation allows the California Air Resources Board (CARB) to establish a quarterly auction of a limited number of greenhouse gas (GHG) tradable permits. The program is commonly referred to as the Capand-Trade, whereby the proceeds from these auctions fund legislated programs furthering the purpose of AB32.

The LCTOP is one of several programs that are part of the Transit, Affordable Housing, and Sustainable Communities Program established by the California Legislature in 2014 by Senate Bill 862 (SB 862) drafted to further the purpose of AB32. Senate Bill 852 (Statutes of 2014) appropriates \$25 million for LCTOP for Fiscal Year (FY) 2014-15 and Senate Bill 862 continuously appropriates five percent (5%) of the annual auction proceeds in the Greenhouse Gas Reduction Fund for LCTOP beginning in FY2015-16.

Approved projects in LCTOP will support new or expanded bus or rail services, expand intermodal transit facilities, and may include equipment acquisition, fueling, maintenance and other costs to operate those services or facilities, with each project required to reduce greenhouse gas emissions. Funds in this program are allocated to operators by the Metropolitan Transportation Commission (MTC) through the State Controller's Office. Funds are distributed based on revenues and, through MTC Resolutions 4123 and 4130, based on population. The California Department of Transportation (Department) is the administering agency.

DISCUSSION

The Department has adopted certifications and assurances for LCTOP. As a condition to receive LCTOP funds, each project sponsor/agency must authorize an agency designee to execute these certifications and assurances. They include guidelines for project administration, reporting, cost principles, record retention and special situations.

Union City Transit had applied and received same program funding in FY2014-15.

FISCAL IMPACT

There will be no fiscal impact to City's Funds by executing the required certifications and assurances for the LCTOP.

RECOMMENDATION

It is recommended City Council adopt the attached resolution authorizing the City Manager and his designee – Transit Manager or Public Works Director to execute the required certifications and assurances for the LCTOP.

RESOLUTION OF THE CITY COUNCIL OF THE CITY OF UNION CITY AUTHORIZING THE EXECUTION OF THE CERTIFICATIONS AND ASSURANCES AND AUTHORIZED AGENT FORMS FOR THE LOW CARBON TRANSIT OPERATIONS PROGRAM (LCTOP) FOR UNION CITY TRANSIT PROGRAM

WHEREAS, the City of Union City is an eligible project sponsor and may receive state funding from the Low Carbon Transit Operations Program (LCTOP) for transit projects; and

WHEREAS, the statutes related to state-funded transit projects require a local or regional implementing agency to abide by various regulations; and

WHEREAS, Senate Bill 862 (2014) named the California Department of Transportation (Department) as the administrative agency for the LCTOP; and

WHEREAS, the Department has developed guidelines for the purpose of administering and distributing LCTOP funds to eligible project sponsors (local agencies); and

WHEREAS, the City of Union City wishes to delegate authorization to execute these documents and any amendments thereto to City Manager and/or his designees.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Union City that the fund recipient agrees to comply with all conditions and requirements set forth in the Certification and Assurances and the Authorized Agent documents and applicable statutes, regulations and guidelines for all LCTOP funded transit projects; and be it

FURTHER RESOLVED that City Manager and/or his designee, be authorized to execute all required documents of the LCTOP program and any Amendments thereto with the California Department of Transportation.

Low Carbon Transit Operations Program (LCTOP) AUTHORIZED AGENT

AS THE ______ City Manager ______ (Chief Executive Officer / Director / President / Secretary)

OF THE City of Union City (Name of County/City Organization)

I hereby authorize the following individual(s) to execute for and on behalf of the named Regional Entity/Transit Operator, any actions necessary for the purpose of obtaining Low Carbon Transit Operations Program (LCTOP) funds provided by the California Department of Transportation, Division of Rail and Mass Transportation. I understand that if there is a change in the authorized agent, the project sponsor must submit a new form. This form is required even when the authorized agent is the executive authority himself. I understand the Board must provide a resolution approving the Authorized Agent. The Board Resolution appointing the Authorized Agent is attached.

Low Carbon Transit Operations Program (LCTOP) CERTIFICATIONS AND ASSURANCES

Project Sponsor: _____ City of Union City_____

Agency Name: <u>Union City Transit</u>

Effective Date of this Document: ______February 1, 2016

The California Department of Transportation (Department) has adopted the following certifications and assurances for the Low Carbon Transit Operations Program. As a condition of the receipt of LCTOP funds, project lead must comply with these terms and conditions.

A. General

- (1) The project lead agrees to abide by the current LCTOP Guidelines and applicable legal requirements.
- (2) The project lead must submit to the Department a signed Authorized Agent form designating the representative who can submit documents on behalf of the project sponsor and a copy of the board resolution appointing the Authorized Agent.

B. Project Administration

- (1) The project lead certifies that required environmental documentation is complete before requesting an allocation of LCTOP funds. The project lead assures that projects approved for LCTOP funding comply with Public Resources Code § 21100 and § 21150.
- (2) The project lead certifies that a dedicated bank account for LCTOP funds only will be established within 30 days of receipt of LCTOP funds.
- (3) The project lead certifies that when LCTOP funds are used for a transit capital project, that the project will be completed and remain in operation for its useful life.
- (4) The project lead certifies that it has the legal, financial, and technical capacity to carry out the project, including the safety and security aspects of that project.
- (5) The project lead certifies that they will notify the Department of pending litigation, dispute, or negative audit findings related to the project, before receiving an allocation of funds.
- (6) The project lead must maintain satisfactory continuing control over the use of project equipment and facilities and will adequately maintain project equipment and facilities for the useful life of the project.
- (7) Any interest the project lead earns on LCTOP funds must be used only on approved LCTOP projects.
- (8) The project lead must notify the Department of any changes to the approved project with a Corrective Action Plan (CAP).
- (9) Under extraordinary circumstances, a project lead may terminate a project prior to completion. In the event the project lead terminates a project prior to completion, the project lead must (1) contact the Department in writing and follow-up with a phone call verifying receipt of such notice; (2) pursuant to

Page 1 of 3

State of California – Department of Transportation Division of Rail and Mass Transportation Low Carbon Transit Operations Program (LCTOP) Effective 11/15

verification, submit a final report indicating the reason for the termination and demonstrating the expended funds were used on the intended purpose; (3) submit a request to reassign the funds to a new project within 180 days of termination.

(10) Funds must be encumbered and liquidated within the time allowed.

C. Reporting

- (1) The project lead must submit the following LCTOP reports:
 - a. Semi-Annual Progress Reports by May 15th and November 15th each year.
 - b. A Final Report within six months of project completion.
 - c. The annual audit required under the Transportation Development Act (TDA), to verify receipt and appropriate expenditure of LCTOP funds. A copy of the audit report must be submitted to the Department within six months of the close of the year (December 31) each year in which LCTOP funds have been received or expended.
- (2) Other Reporting Requirements: ARB is developing funding guidelines that will include reporting requirements for all State agencies that receive appropriations from the Greenhouse Gas Reduction Fund. Caltrans and project sponsors will need to submit reporting information in accordance with ARB's funding guidelines, including reporting on greenhouse gas reductions and benefits to disadvantaged communities.

D. Cost Principles

- (1) The project lead agrees to comply with Title 2 of the Code of Federal Regulations 225 (2 CFR 225), Cost Principles for State and Local Government, and 49 CFR, Part 18, Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments.
- (2) The project lead agrees, and will assure that its contractors and subcontractors will be obligated to agree, that:
 - a. Contract Cost Principles and Procedures, 48 CFR, Federal Acquisition Regulations System, Chapter 1, Part 31, et seq., shall be used to determine the allow ability of individual project cost items and
 - b. Those parties shall comply with Federal administrative procedures in accordance with 49 CFR, Part 18, Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments. Every sub-recipient receiving LCTOP funds as a contractor or sub-contractor shall comply with Federal administrative procedures in accordance with 49 CFR, Part 18, Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments.
- (3) Any project cost for which the project lead has received funds that are determined by subsequent audit to be unallowable under 2 CFR 225, 48 CFR, Chapter 1, Part 31 or 49 CFR, Part 18, are subject to repayment by the project lead to the State of California (State). All projects must reduce greenhouse gas emissions, as required under Public Resources Code section 75230, and any project that fails to reduce greenhouse gases shall also have its project costs submit to repayment by the project lead to the State. Should the project lead fail to reimburse moneys due to the State within thirty (30) days of demand, or within such other period as may be agreed in writing between the Parties hereto, the State is authorized to intercept and withhold future payments due the project lead from the State or any third-party source, including but not limited to, the State Treasurer and the State Controller.

Page 2 of 3

E. Record Retention

- (1) The project lead agrees, and will assure that its contractors and subcontractors shall establish and maintain an accounting system and records that properly accumulate and segregate incurred project costs and matching funds by line item for the project. The accounting system of the project lead, its contractors and all subcontractors shall conform to Generally Accepted Accounting Principles (GAAP), and enable the determination of incurred costs at interim points of completion. All accounting records and other supporting papers of the project lead, its contractors and subcontractors connected with LCTOP funding shall be maintained for a minimum of three (3) years after the "Project Closeout" report or final Phase 2 report is submitted (per ARB Funding Guidelines, Vol. 3, page 3.A-16), and shall be held open to inspection, copying, and audit by representatives of the State and the California State Auditor. Copies thereof will be furnished by the project lead, its contractors, and subcontractors upon receipt of any request made by the State or its agents. In conducting an audit of the costs claimed, the State will rely to the maximum extent possible on any prior audit of the project lead pursuant to the provisions of federal and State law. In the absence of such an audit, any acceptable audit work performed by the project lead's external and internal auditors may be relied upon and used by the State when planning and conducting additional audits.
- (2) For the purpose of determining compliance with Title 21, California Code of Regulations, Section 2500 et seq., when applicable, and other matters connected with the performance of the project lead's contracts with third parties pursuant to Government Code § 8546.7, the project sponsor, its contractors and subcontractors and the State shall each maintain and make available for inspection all books, documents, papers, accounting records, and other evidence pertaining to the performance of such contracts, including, but not limited to, the costs of administering those various contracts. All of the above referenced parties shall make such materials available at their respective offices at all reasonable times during the entire project period and for three (3) years from the date of final payment. The State, the California State Auditor, or any duly authorized representative of the State, shall each have access to any books, records, and documents that are pertinent to a project for audits, examinations, excerpts, and transactions, and the project lead shall furnish copies thereof if requested.
- (3) The project lead, its contractors and subcontractors will permit access to all records of employment, employment advertisements, employment application forms, and other pertinent data and records by the State Fair Employment Practices and Housing Commission, or any other agency of the State of California designated by the State, for the purpose of any investigation to ascertain compliance with this document.

F. Special Situations

The Department may perform an audit and/or request detailed project information of the project sponsor's LCTOP funded projects at the Department's discretion at any time prior to the completion of the LCTOP.

I certify all of these conditions will be met.

Agenda Item

DATE: 3/8/2016

TO: HONORABLE MAYOR AND CITY COUNCIL

FROM: MINTZE CHENG, PUBLIC WORKS DIRECTOR

SUBJECT: ADOPT A RESOLUTION AUTHORIZING THE EXECUTION OF AN APPLICATION WITH THE STATE OF CALIFORNIA TO USE THE LOW CARBON TRANSIT OPERATIONS PROGRAM (LCTOP) FOR A PROPOSED PROJECT AT THE UNION LANDING TRANSIT CENTER

The attached resolution authorizes the City Manager's designee to execute a funding application for the usage of the Low Carbon Transit Operations Program (LCTOP).

BACKGROUND

Assembly Bill 32 (AB 32), the California Global Warming Solutions Act of 2006, took a long-term, comprehensive approach to addressing climate change and its effects on the environment and natural resources. The legislation allows the California Air Resources Board (CARB) to establish a quarterly auction of a limited number of greenhouse gas (GHG) tradable permits. The program is commonly referred to as the Cap-and-Trade, whereby the proceeds from these auctions fund legislated programs furthering the purpose of AB32.

The LCTOP is one of several programs that are part of the Transit, Affordable Housing, and Sustainable Communities Program established by the California Legislature in 2014 by Senate Bill 862 (SB 862) drafted to further the purpose of AB32. Senate Bill 852 (Statutes of 2014) appropriates \$25 million for LCTOP for Fiscal Year (FY) 2014-15 and Senate Bill 862 continuously appropriates five percent (5%) of the annual auction proceeds in the Greenhouse Gas Reduction Fund for LCTOP beginning in FY2015-16.

Approved projects in LCTOP will support new or expanded bus or rail services, expand intermodal transit facilities, and may include equipment acquisition, fueling, maintenance and other costs to operate those services or facilities, with each project required to reduce greenhouse gas emissions. Funds in this program are allocated to operators by the Metropolitan Transportation Commission (MTC) through the State Controller's Office. Funds are distributed based on revenues and, through MTC Resolutions 4123 and 4130, based on population. The California Department of Transportation (Department) is the administering agency.

DISCUSSION

Based on funding projections, Union City will receive approximately \$8,417 in direct LCTOP funds from the Department and \$71,301 in LCTOP funds through the MTC population based calculation for the FY2015-16 program period. The Metropolitan Transportation Commission projects that over the course of twenty-five (25) years Union City will receive \$1.5 million dollars in combined revenue and population funds from this program.

The FY2015-16 funds would be used for a proposed solar panel installation at the Union Landing Transit Center.

The attached funding application nominates the proposed project and allows the California Department of Transportation (Department) to allocate those funds towards the proposed project. The City Council approved a similar resolution for LCTOP funds in 2015 for FY2014-15 program funds; the City was successful in receiving those funds.

The City currently does not have a project number for this proposed project at the Union Landing Transit Center and there are no construction contracts being approved as a result of this resolution.

FISCAL IMPACT

There will be no fiscal impact to City's Funds by executing the required certifications and assurances for the LCTOP.

RECOMMENDATION

It is recommended City Council adopt the attached resolution authorizing the City Manager and his designee – Transit Manager or Public Works Director to execute the required funding application to nominate the proposed project, to allow the Department to allocate funds to the City's proposed project, and to ultimately receive LCTOP funds for the proposed project.

RESOLUTION OF THE CITY COUNCIL OF THE CITY OF UNION CITY AUTHORIZING THE EXECUTION OF AN APPLICATION WITH THE STATE OF CALIFORNIA TO USE THE LOW CARBON TRANSIT OPERATIONS PROGRAM (LCTOP) FOR A PROPOSED PROJECT AT THE UNION LANDING TRANSIT CENTER; ACCEPTING ANY LCTOP FUNDING AWARDED TO THE CITY, AND APPROPRIATING SAID FUNDING TO THE PUBLIC WORKS DEPARTMENT

WHEREAS, the City of Union City is an eligible project sponsor and may receive state funding from the Low Carbon Transit Operations Program (LCTOP) now or sometime in the future for transit projects; and

WHEREAS, the statutes related to state-funded transit projects require a local or regional implementing agency to abide by various regulations; and

WHEREAS, Senate Bill 862 (2014) named the Department of Transportation (Department) as the administrative agency for the LCTOP; and

WHEREAS, the Department has developed guidelines for the purpose of administering and distributing LCTOP funds to eligible project sponsors (local agencies); and

WHEREAS, the City of Union City wishes to implement the LCTOP project listed above.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Union City that the fund recipient agrees to comply with all conditions and requirements set forth in the applicable statutes, regulations and guidelines for all LCTOP funded transit projects; and be it

FURTHER RESOLVED that the City Council hereby authorizes the submittal of the following project nomination and allocation request to the Department in FY 2015-16 LCTOP funds:

Project Name: Solar Panels for Union Landing Transit Center Amount of LCTOP funds requested: \$79,718 Short description of project: Install solar panels and energy storage units at the Union Landing Transit Center; and be it

FURTHER RESOLVED that the City Council hereby authorizes the acceptance of any LCTOP funds received by the City as a result of this grant application, and

appropriates said grant funds to the Public Works Department for said project as the Union Landing Transit Station.

PROJECT DESCRIPTION AND ALLOCATION REQUEST (PROJECT)

Table 3: Type of Project

<u>See Attachment A for category of project</u> (example: Category 1A Implement new or expanded transit service (for new routes or expansion of existing routes).

Table 4: Project Summary

a) **Project Description** - Describe the project in your own words, using comprehensive overall project description regarding improvements to be made, increased level of service and performance goals.

The City of Union City is currently (January 2016) evaluating all publicly owned facilities for energy upgrades and solar panel installation where appropriate. The Union Landing Transit Center is the second busiest location in the Union City Transit system and is also a transfer point to AC Transit routes heading to different parts of the region. As part of this project, the City of Union City hopes to make the transit center brighter and more inviting to current and potential riders without increasing the load on the electrical grid. The solar installation would need to be expandable to accommodate potential information displays in the future (not part of this project scope).

b) Project Location - Describe the location of the project. Also provide an 8 1/2" X 11" project site map that shows the transit service area and project location. Use link to CalEPA website for information, <u>http://www.calepa.ca.gov/EnvJustice/GHGInvest/default.htm</u>.

The project is located at 32080 Union Landing Blvd, Union City, CA 94587. The project location is in the Union Landing Shopping and Entertainment Complex, a major source of activity and sales tax revenue for the City of Union City.

c) Project Life - For capital projects, state the Useful Life of the Project. For operations project state the number of months service will operate.

Capital: 25 years Operations:

PROJECT DESCRIPTION AND ALLOCATION REQUEST (BENEFITS/OUTCOMES)

Table 5: Description of Major Benefits/Outcomes

a) Greenhouse Gas Reduction - Describe how this project will reduce greenhouse gases and any assumptions or data that support this description. For example, "The expanded transit service will reduce VMT and greenhouse gas emissions by replacing auto trips with transit trips. Initial estimates indicate that the expansion could add 50 commuter bus riders per day to replace an average auto trip of 10 miles each way." If available, please provide the expected amount of VMT reductions and greenhouse gas reductions.

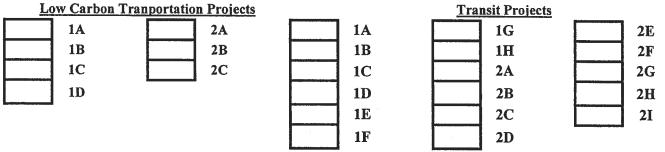

By adding the solar panels, it will demonstrate a commitment to renewable energy by the City of Union City, but it will also allow for a brighter transit center without increasing the energy demand on the electrical grid. Typically, transit customers are discouraged from riding after the sun sets because they do not feel safe; by adding lighting in addition to the solar panels, we hope to encourage more customers to use the service as an option as opposed to needing to use private transportation option. We cannot quantify this at the moment specifically for this location. We hope to reduce VMT by 80,000 in the two years, then expect it to increase with an estimated increase in ridership annually of 5,000 customers.

b) Increased Mode Share - Describe how this project will directly increase mode share.

We hope to reduce VMT by 80,000 in the two years, then expect it to increase with an estimated increase in ridership annually of 5,000 customers.

c) Disadvantaged Communities (DAC) Project Criteria

See Attachment B for DAC Criteria to Evaluate Projects (example: Category 1B Project provides transit incentives to residents with a physical address in a disadvatage community (e.g., vouchers, reduced fares, transit passes).

d) Disadvantaged Communities (DAC) (if applicable*) - Describe how this project will directly benefit the DAC(s) within your service area in your own words. For agencies whose service area includes disadvantaged communities, at least 50 percent of the total moneys received shall be expended on projects that will benefit disadvantaged communities.

SUBJECT: ADOPT A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF UNION CITY AUTHORIZING MAYOR DUTRA-VERNACI TO ATTEND THE LIYANG TEA FESTIVAL AS THE CITY'S DELEGATE; AUTHORIZING REIMBURSEMENT OF INCIDENTAL EXPENSES

Staff recommends that the City Council adopt a resolution authorizing Mayor Carol Dutra-Vernaci to attend the Liyang Tea Festival as Union City's delegate, and authorizing reimbursement of incidental expenses pursuant to Union City's travel policies.

BACKGROUND

Mayor Dutra-Vernaci was invited to attend the opening ceremony of the Liyang Tea Festival (the "Tea Festival") in April 2016. Liyang is one of seven Union City international "Sister Cities."

Liyang will pay for Mayor Dutra-Vernaci's domestic expenses including payment of all domestic travel and lodging related expenses such as food, beverages, lodging, and ground transportation. Mayor Dutra-Vernaci will be responsible for the payment of costs for international air travel to China.

The City Attorney's office has requested advice from the Fair Political Practices Commission (the "FPPC") in advance of Mayor Dutra-Vernaci's acceptance of payment for attendance at the Tea Festival. The request for advice seeks confirmation that the domestic travel, lodging and subsistence payments from Liyang are reportable gifts, but are not subject to the FPPC's \$460.00 gift limitation. The City Attorney's office anticipates that the FPPC advice letter will provide immunity for Mayor Dutra-Vernaci in accepting these gifts of travel. If the FPPC confirms that Mayor Dutra-Vernaci can accept these gifts of travel without exceeding the FPPC's gift limitation, Mayor Dutra-Vernaci will be permitted to attend the Tea Festival and accept travel payments without violating the Political Reform Act of 1974, the Ethics in Government Act of 1990 and the relevant FPPC regulations.

DISCUSSION

The resolution will allow Mayor Dutra-Vernaci to represent the City of Union City at the Tea Festival as a delegate. The legal effect of the resolution is to confirm the public purpose of Mayor Dutra-Vernaci's

attendance at the Tea Festival. This resolution will also permit Mayor Dutra-Vernaci to receive reimbursement of incidental travel expenses pursuant to Union City's reimbursement policies.

FISCAL IMPACT

This action has minimal fiscal impact to the City.

RECOMMENDATION

Staff recommends that the City Council adopt a resolution authorizing Mayor Carol Dutra-Vernaci to attend the Liyang Tea Festival as Union City's delegate, and authorizing reimbursement of incidental expenses pursuant to Union City's travel policies.

Resolution

CITY COUNCIL RESOLUTION NO.

RESOLUTION OF THE CITY COUNCIL OF THE CITY OF UNION CITY AUTHORIZING MAYOR DUTRA-VERNACI TO ATTEND THE LIYANG (JIANGSU, CHINA) TEA FESTIVAL AS THE CITY'S DELEGATE; AUTHORIZING REIMBURSEMENT OF INCIDENTAL EXPENSES

WHEREAS, Liyang (Jiangsu, China) is one of Union City's seven international "Sister Cities;" and

WHEREAS, Mayor Carol Dutra-Vernaci was invited to travel to Liyang to attend the opening ceremony of the Liyang Tea Festival (the "Tea Festival") in April 2016; and

WHEREAS, Mayor Dutra-Vernaci will attend the Tea Festival in her official capacity as a representative of the City for the specific governmental purpose of strengthening the City's relationship with Liyang; and

WHEREAS, expenses related to domestic travel and lodging, including the payment of local travel, food, beverages, subsistence and hotels will be paid for by Liyang; and

WHEREAS, Mayor Dutra-Vernaci will be responsible for costs associated with international air travel to China; and

WHEREAS, Mayor Dutra-Vernaci's attendance at the Tea Festival presents a unique opportunity for Union City to further build and strengthen the City's relationship with Liyang; and

WHEREAS, the opportunities presented to Union City through Mayor Dutra-Vernaci's attendance at the Tea Festival constitute an important public purpose; and

WHEREAS, participating in and attending important cultural events held by Union City's Sister Cities are consistent with Union City's efforts to strengthen its relationship with the international community and stimulate interest in Union City; and

WHEREAS, it would be in the best interest of the City of Union City to send Mayor Dutra-Vernaci as its delegate to the Tea Festival.

NOW, THEREFORE, BE IT RESOLVED that the City Council of Union City hereby requests that Mayor Dutra-Vernaci participate in the Tea Festival in her capacity as Mayor of the City of Union City and declares that the City of Union City has an interest in strengthening its relationship with its Sister City Liyang and the international community as a whole.

BE IT FURTHER RESOLVED THAT Mayor Dutra-Vernaci may receive reimbursement of incidental travel expenses pursuant to Union City's reimbursement policies.

SUBJECT: RESOLUTION OF THE CITY COUNCIL OF THE CITY OF UNION CITY ACCEPTING THE COMPREHENSIVE ANNUAL FINANCIAL REPORT FOR THE FISCAL YEAR ENDED JUNE 30, 2015

BACKGROUND

Each year the City is required to conduct an audit of its financial records and transactions. The City's Comprehensive Annual Financial Report, also known as the CAFR or annual audit, for the fiscal year ended June 30, 2015 is presented here. The CAFR reports the financial activities of each fund maintained by the City. The CAFR was prepared by Badawi & Associates, Certified Public Accountants, in their fourth year of a five year contract.

DISCUSSION

Based on the audit of the fiscal year ended June 30, 2015, Badawi & Associates issued this opinion:

"In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the City, as of June 30, 2015, and the respective changes in financial position, and, where applicable, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America."

In the General Fund, the primary operating fund of the City, revenues and other financing sources exceeded expenditures and other financing uses by \$4,539,027, a decrease of 13.8% over last fiscal year. This amount is referred to as the net change in fund balance. Included as part of the General Fund for reporting purposes are funds that are budgeted as special revenue funds but do not meet the criteria for classification as a special revenue fund in accordance with generally accepted accounting principles. At the end of the fiscal year, the General Fund reported a total fund balance of \$28,549,943. This amount includes \$5.7 million conveyance of former Redevelopment Agency land to the City.

Major factors contributing to the change in the General Fund fund balance include:

- Property taxes increased by \$1,336,000 or 7% over last fiscal year;
- Sales tax Measure JJ increased by \$187,000 or 4%;
- Transient occupancy tax increased by \$707,000 or 51% over the previous year;
- Franchise fees increased by \$379,000 or 6%;
- License and Permits were higher by \$558,300 or 37% compared to prior year;
- Payroll-related costs increased by 3.5% or \$867,000;
- Service-related cost went up by \$2,914,000 mainly related to Police Dispatch Consolidation and Teen Center Design Projects;

Fund balance is classified in the following categories:

- Nonspendable: \$998,918 representing prepaid items and long-term notes receivable;
- Restricted: \$7,403 representing state-mandated revenue collected under SB 1186 that is to be used to ensure compliance with disabled accessibility requirements; and \$5,743,960 former RDA land being held for sale by the city;
- Assigned: \$13,341,089 representing amounts intended for specific purposes that do not meet the criteria to be classified as restricted fund balance. \$3,456,206 of this amount is assigned for economic uncertainty. \$4,154,107 is associated with those funds included as part of the General Fund for reporting purposes.

Unassigned: \$8,458,573 represents all spendable amounts that are not contained in the other classifications. For the General Fund proper, unassigned fund balance is \$6,557,888 because a fund included in the General Fund for reporting purposes includes \$1,900,685 carryover projects like Teen canter and Police Dispatch Consolidation.

FISCAL IMPACT

There is no fiscal impact associated with the acceptance of this resolution.

RECOMMENDATION

It is recommended that the City Council accept the Comprehensive Annual Financial Report for the fiscal year ended June 30, 2015.

DATE: 3/8/2016

TO: HONORABLE MAYOR AND CITY COUNCIL

FROM: JOAN MALLOY, ECONOMIC AND COMMUNITY DEVELOPMENT DIRECTOR

SUBJECT: ADOPT A RESOLUTION DECLARING ITS INTENTION TO AUTHORIZE THE ANNEXATION OF TERRITORY TO COMMUNITY FACILITIES DISTRICT NO. 2006-1 (PUBLIC SERVICES) AND ADOPT A RESOLUTION ADOPTING BOUNDARY MAP SHOWING TERRITORY PROPOSED TO BE ANNEXED IN THE FUTURE TO COMMUNITY FACILITIES DISTRICT NO. 2006-1 (PUBLIC SERVICES)

Declaration of Intention to authorize Annexation No. 6 into Community Facilities District No. 2006-1 and Adoption of Boundary Map

BACKGROUND

On February 27, 2007 the City Council formed Community Facilities District No. 2006-1 (CFD No. 2006-1) to provide additional funding for certain increased public service costs resulting from new residential development. The attached resolutions begin the process to annex the property which identified by APNs 483 -0010-025-05 & 483 -0010-025-07 that is proposed to be developed into 36 low density multi-family residential units and 6 commercial units by City Ventures.

DISCUSSION

City staff engaged the services of NBS to assist with the annexation.

Significant provisions of the program are as follows:

1. The funding of services to be provided are in addition to those services provided in or required for the territory and will not be replacing services already available. These additional services include costs for public safety (Police and Fire Services) and park maintenance.

2. Beginning with fiscal year 2016/17, the proposed special tax will be levied for all residential units that have been issued a building permit prior to May 1. This special tax does not apply to commercial, office, or industrial space.

3. In fiscal year 2016/17, the annual special tax for Low Density Multi-family Residential (the classification of the 36 residential units) is \$300.95 per unit, increasing 2% per year. The special tax shall be levied in perpetuity.

4. Notice is given that on April 12, 2016 the public hearing will be held where this City Council will consider the annexation to CFD No. 2006-1 and may, in fact, conduct the election and tabulate the results.

FISCAL IMPACT

The special tax will provide additional funding for selected increased public service costs within the territory. Beginning in fiscal year 2016/17 it is expected that the special tax will generate \$10,834.20 per year, increasing 2% per year thereafter.

RECOMMENDATION

Staff recommends that the City Council approve the resolutions (1) Declaring its intention to authorize the annexation of territory to Community Facilities District No. 2006-1 (Public Services), and (2) Adopting the boundary map showing the territory proposed to be annexed in the future to Community Facilities District No. 2006-1 (Public Services).

RESOLUTION OF THE CITY COUNCIL OF THE CITY OF UNION CITY, CALIFORNIA, DECLARING ITS INTENTION TO AUTHORIZE THE ANNEXATION OF TERRITORY TO COMMUNITY FACILITIES DISTRICT NO. 2006-1 (PUBLIC SERVICES)

WHEREAS, the City Council of the City of Union City, California, ("City Council"), at this time desires to authorize the annexation of territory to City of Union City Community Facilities District No. 2006-1 (Public Services) (hereafter referred to as "CFD No. 2006-1") pursuant to the terms and provisions of the "Mello-Roos Community Facilities Act of 1982", being *Chapter 2.5, Part 1, Division 2, Title 5 of the Government Code of the State of California*, as amended (the "Act"); and,

WHEREAS, CFD No. 2006-1 was formed to finance public services in addition to those provided in or required for the territory within the CFD No. 2006-1 and will not be replacing services already available; and,

WHEREAS, certain territory is proposed to be annexed to CFD No. 2006-1 and such territory shall be known and designated as Community Facilities District No. 2006-1 (Public Services), Annexation No. 6 (The Sugarmill) (hereafter referred to as "Annexation No. 6"); and,

WHEREAS, this legislative body now desires to proceed to adopt its Resolution of Intention to annex Annexation No. 6 into CFD No. 2006-1, to describe the territory included within Annexation No. 6 proposed to be annexed, to specify the services to be financed from the proceeds of the levy of special taxes within Annexation No. 6, to set and specify the special taxes that would be levied within the territory to finance such services, and to set a time and place for a public hearing relating to the annexation of Annexation No. 6 into CFD No. 2006-1; and,

WHEREAS, a map showing the boundaries of Annexation No. 6 proposed to be annexed has been submitted, which map has been previously approved and a copy of the map shall be kept on file with the transcript of these proceedings.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF UNION CITY DOES HEREBY RESOLVE AS FOLLOWS:

SECTION 1 <u>Recitals</u>. The above recitals are all true and correct.

SECTION 2 <u>Authorization</u>. The proceedings for annexing Annexation No. 6 into CFD No. 2006-1 are authorized and initiated by this legislative body pursuant to the authorization of the Act.

SECTION 3 <u>Intention to Annex</u>. This legislative body hereby determines that the public convenience and necessity requires that Annexation No. 6 be added to CFD No. 2006-1 in order to pay the costs and expenses for the required and authorized new services generated from new development within the City and this City Council declares its intention to annex Annexation No. 6 to CFD No. 2006-1.

SECTION 4 <u>Boundaries</u>. A general description of the boundaries of Annexation No. 6 proposed to be annexed is as follows:

All that territory proposed to be annexed to CFD No. 2006-1, as such property is shown on a map designated as "Annexation Map No. 6 (The Sugarmill) of Community Facilities District No. 2006-1 (Public Services), City of Union City, County of Alameda, State of California," attached hereto as Exhibit "A" and hereby incorporated by reference.

SECTION 5 <u>Name of District</u>. The name of the district is "City of Union City Community Facilities District No. 2006-1 (Public Services)" and the designation for the territory to be annexed shall be "City of Union City Community Facilities District No. 2006-1 (Public Services), Annexation No. 6 (The Sugarmill)."

SECTION 6 Services Authorized to be Financed by CFD No. 2006-1, Annexation No. 6. The services that are authorized to be financed by CFD No. 2006-1 are certain services which are in addition to those provided in or required for the territory within CFD No. 2006-1 and Annexation No. 6 and will not be replacing services already available. A general description of the services to be financed by CFD No. 2006-1 and Annexation No. 6 is as follows:

PUBLIC SERVICES

New police services, fire protection and suppression services, paramedic services, and park maintenance, including but not limited to (i) the costs of contracting services, (ii) related facilities, equipment, vehicles, ambulances, fire apparatus and supplies, (iii) the salaries and benefits of City staff that directly provide police services, fire protection and suppression services, paramedic services, and park maintenance respectively, and (iv) City overhead costs associated with providing such services within CFD No. 2006-1 and Annexation No. 6. The Special Tax provides only partial funding for Public Services.

The same types of services which are authorized to be financed by CFD No. 2006-1 are the types of services to be provided in Annexation No. 6. If and to the extent possible, such services shall be provided in common within CFD No. 2006-1 and Annexation No. 6.

SECTION 7 <u>Special Taxes</u>. It is the further intention of this City Council body that, except where funds are otherwise available, a special tax sufficient to pay for such services to be provided in CFD No. 2006-1 and Annexation No. 6 and related incidental expenses authorized by the Act, secured by recordation of a continuing lien against all non-exempt real property in Annexation No. 6, will be levied annually within the boundaries of such Annexation No. 6. For further particulars as to the rate and method of apportionment of the proposed special tax, reference is made to the attached and incorporated Exhibit "B" (the "Rate and Method of Apportionment"), which sets forth in sufficient detail the method of apportionment to allow each landowner or resident within proposed Annexation No. 6 to clearly estimate the maximum amount that such person will have to pay.

The special tax proposed to be levied within Annexation No. 6 for services to be supplied within Annexation No. 6 shall be equal to the special tax levied to pay for the same services in CFD No. 2006-1, except that a higher or lower special tax may be levied within Annexation No. 6 to the extent that the actual cost of providing the services in Annexation No. 6 is higher or lower than the cost of providing those services in CFD No. 2006-1. Notwithstanding the foregoing, the special tax may not be levied at a rate that is higher then the maximum special tax

authorized to be levied pursuant to the Rate and Method of Apportionment.

The special taxes herein authorized, to the extent possible, shall be collected in the same manner as ad valorem property taxes and shall be subject to the same penalties, procedure, sale and lien priority in any case of delinquency as applicable for ad valorem taxes. Any special taxes that may not be collected on the County tax roll shall be collected through a direct billing procedure by the Treasurer.

The maximum special tax rate in CFD No. 2006-1 shall not be increased as a result of the annexation of Annexation No. 6 to CFD No. 2006-1.

SECTION 8 <u>Public Hearing</u>. Notice is given that on April 12, 2016 at the hour of 7:00 p.m., in the regular meeting place of the City Council being the Council Chambers, located at 34009 Alvarado-Niles Road, Union City, California 94587, a public hearing will be held where this City Council will consider the authorization for the annexation of Annexation No. 6 to CFD No. 2006-1, the proposed method and apportionment of the special tax to be levied with Annexation No. 6 and all other matters as set forth in this Resolution of Intention.

At such public hearing, the testimony of all interested persons for or against the annexation of Annexation No. 6 or the levying of special taxes within Annexation No. 6 will be heard.

At such public hearing, protests against the proposed annexation of Annexation No. 6, the levy of special taxes within Annexation No. 6 or any other proposals contained in this resolution may be made orally by any interested person. Any protests pertaining to the regularity or sufficiency of the proceedings shall be in writing and shall clearly set forth the irregularities or defects to which objection is made. All written protests shall be filed with the City Clerk prior to the time fixed for the public hearing. Written protests may be withdrawn at any time before the conclusion of the public hearing.

SECTION 9 <u>Majority Protest</u>. If (a) 50% or more of the registered voters, or six (6) registered voters, whichever is more, residing within CFD No. 2006-1, (b) 50% or more of the registered voters, or six (6) registered voters, whichever is more, residing within Annexation No. 6, (c) owners of one-half or more of the area of land in the territory included in CFD 2006-1, or (d) owners of one-half or more of the area of land in the territory included in Annexation No. 6, file written protests against the proposed annexation of Annexation No. 6 to CFD No. 2006-1 in the future and such protests are not withdrawn so as to reduce the protests to less than a majority, no further proceedings shall be undertaken for a period of one year from the date of the decision by the City Council on the issued discussed at the public hearing.

SECTION 10 <u>Notice</u>. Notice of the time and place of the public hearing shall be given by the City Clerk by publication in the legally designated newspaper of general circulation, said publication pursuant to Section 6061 of the Government Code, with said publication to be completed at least seven (7) days prior to the date set for the public hearing.

CITY OF UNION CITY COMMUNITY FACILITIES DISTRICT NO. 2006-1 (PUBLIC SERVICES)

A special tax as hereinafter defined shall be levied on and collected for Community Facilities District No. 2006-1 (Public Services) of the City of Union City ("CFD No. 2006-1") each Fiscal Year, commencing in Fiscal Year 2009-2010, in an amount determined by the City Council of the City of Union City through the application of the appropriate Special Tax for "Developed Residential Property" as described below. All of the real property in CFD No. 2006-1, unless exempted by law or by the provisions hereof, shall be taxed for the purposes, to the extent, and in the manner herein provided.

A. DEFINITIONS

The terms hereinafter set forth have the following meanings:

"Act" means the Mello-Roos Community Facilities Act of 1982, being Chapter 2.5, Part 1, Division 2 of Title 5 of the Government Code of the State of California, as amended.

"Administrative Expenses" means any actual ordinary and necessary expense of the City of Union City, or designee thereof or both, to carry out the administration of CFD No. 2006-1 related to the determination of the amount of the levy of the Special Tax, the collection of the Special Tax including the expenses of collecting delinquencies, the payment of a proportional share of salaries and benefits of any City employee whose duties are directly related to the administration of CFD No. 2006-1, fees and expenses for counsel, Special Tax consultant and other consultants hired by the City in relation to CFD No. 2006-1, costs associated with responding to public inquiries regarding CFD No. 2006-1.

"Annual Escalation Factor" means the Maximum Special Tax shall be increased by two percent (2%) each subsequent year following the Base Year.

"Assessor's Parcel" means a lot or parcel shown in an Assessor's Parcel Map with an assigned assessor's parcel number.

"Assessor's Parcel Map" means an official map of the Assessor of the County designating parcels by assessor's parcel number.

"Base Year" means Fiscal Year ending June 30, 2010.

"Building Permit" means a permit for new construction for a residential dwelling or nonresidential structure. For purposes of this definition, "Building Permit" shall not include permits for construction or installation of retaining walls, utility improvements, or other such improvements not intended for human habitation.

"CFD Administrator" means an official of the City, or designee thereof, responsible for the levy and collection of the Special Taxes.

"CFD No. 2006-1" means Community Facilities District No. 2006-1 (Public Services) established by the City under the Act.

"City" means the City of Union City.

"Council" means the City Council of the City, acting as the legislative body of CFD No. 2006-1.

"County" means the County of Alameda, California.

"Developed Residential Property" means an Assessor's Parcel within CFD No. 2006-1 for which a Building Permit was issued for purposes of constructing Single-Family Residential, Duplex, Low Density Multi-Family Residential, or High Density Multi-Family Residential dwelling Units prior to May 1 preceding the Fiscal Year for which the Special Tax is being levied.

On each July 1 following the Base Year, the Maximum Special Tax in Table 1 shall be increased in accordance with the Annual Escalation Factor.

2. Tax-Exempt Property

No Special Tax shall be levied on Tax-Exempt Property.

3. Multiple Land Use Classes

In some instances an Assessor's Parcel may contain more than one Land Use Class. The Maximum Special Tax levied on such an Assessor's Parcel shall be the sum of the Maximum Special Tax levies that can be imposed on all Land Use Classes located on that Assessor's Parcel.

D. METHOD OF APPORTIONMENT OF THE SPECIAL TAX

Commencing with Fiscal Year 2009-2010, and for each subsequent Fiscal Year, the Special Tax shall be levied on each Assessor's Parcel of Developed Residential Property at the applicable Maximum Special Tax as set forth in Section C.

E. EXEMPTIONS

No Special Tax shall be levied on Undeveloped Property, Homeowner Association Property, Non-Residential Property or Public Property.

F. APPEALS

Any taxpayer who believes that the amount of the Special Tax assigned to a parcel is in error may file a written notice with the CFD Administrator appealing the levy of the Special Tax. This notice is required to be filed with the CFD Administrator during the Fiscal Year in which the error is believed to have occurred. The City and/or CFD Administrator will then promptly review the appeal and, if necessary, meet with the taxpayer. If the City and/or CFD Administrator verifies that the tax should be changed, the Special Tax levy shall be corrected and, if applicable in any case, a refund shall be granted.

F. MANNER OF COLLECTION

The Special Tax, as levied pursuant to Section D above, shall be collected in the same manner and at the same time as ordinary *ad valorem* property taxes, provided, however, that CFD No. 2006-1 may direct bill the Special Tax, may collect Special Taxes at a different time or in a different manner if necessary, to meet the financial obligations of CFD No. 2006-1, or as otherwise determined appropriate by the City.

G. TERM OF SPECIAL TAX

The Special Tax shall be levied in perpetuity to fund Public Services provided to CFD No. 2006-1.

RESOLUTION OF THE CITY COUNCIL OF THE CITY OF UNION CITY, CALIFORNIA, ADOPTING BOUNDARY MAP SHOWING TERRITORY PROPOSED TO BE ANNEXED IN THE FUTURE TO COMMUNITY FACILITIES DISTRICT NO. 2006-1 (PUBLIC SERVICES)

SUBJECT: FISCAL YEAR 2015-16 2ND QUARTER (QTR) REPORT ON BUDGET TO ACTUAL RESULTS FOR THE PERIOD OF JULY 1 THROUGH DECEMBER 31, 2015 (INFORMATION ONLY); ADOPT TWO RESOLUTIONS AMENDING THE ADOPTED FISCAL YEAR 2015-16 OPERATING BUDGET AND CAPITAL IMPROVEMENT PLAN

This report provides an analysis of the City's General Fund finances (revenues and expenses) through the second quarter of Fiscal Year (FY) 2015-16. Projections for FY 2015-16 year-end results are not included in this report but subsequent reports will include them based on the most current information and data available at that time.

This informational report provides the following:

- An analysis of the City's General Fund finances (revenues and expenses) through the second quarter of Fiscal Year (FY) 2015-16;
- A comparison of Year to Date (YTD) expenditures with the financial plan included in the Adopted and Amended Fiscal Year 2015-16 Annual Budget.
- An update on the usage of the City Manager Administrative Contingency Account (0.5% of the Annual General Fund Adopted Operating Budget);
- Proposed elimination of various assigned fund balance categories which are no longer needed and transfer balances from Unassigned (Undesignated) Reserve balances to the City's Risk Management Program, and other Assigned (Designated) categories to comply with council-approved reserve policies;
- A resolution amending and appropriating FY 2014-15 carryover amount of \$2,498,909 to the adopted 2015-16 General Fund operating budget for the Fremont Dispatch Consolidation Project (\$974,590), 1 Center Phase One Project (\$1 Million), Economic Development Marketing Program (\$200,205), and o departments combined (\$324,114) per Attachment 1-A; and
- A resolution amending and appropriating FY 2015-16 adopted operating and capital budget revenue expenditures categories for various funds per Attachment 1-B.

Staff recommends acceptance of this informational report and adoption of both proposed resolutions amending the Adopted FY 2015-16 Operating Budget and Capital Improvement Plan.

BACKGROUND

The City Council has directed staff to provide quarterly reports on the financial condition of the City's General Fund and related budget performance. The intent of this report is to keep the City Council informed of recent developments affecting the City's General Fund, to recommend appropriate actions when necessary, and to ensure the ability of the City to meet its commitments and obligations contained in the budgetary plan.

DISCUSSION

General Fund revenues and expenditures are summarized in Attachment 2. This report analyzes revenues and expenditures using three basic comparisons:

- Prior Year YTD Comparison: current YTD actuals versus prior fiscal year's YTD (FY 2014-15);
- **Current Year YTD Comparison**: current year amended budget versus current fiscal year's YTD actuals (FY 2015-16); and
- **Current Year Budget Comparison**: current year amended budget versus current year adopted budget (FY 2015-16).

At the midyear point of the FY 2015-16, the City's General Fund remains within the target plan with overall revenues within the budgeted levels and expenditures staying within their budgetary allocation. On the revenue side, there are both negative and positive variances which are discussed in detail within the report. The following three Tables below show the amendments to the adopted FY 2015-16 budget, composed of YTD Council approved supplemental appropriations, appropriations from the Administrative Contingency, and rolled over Budget/POs (Attachment 1-A); and Mid-Year Adjustments (Attachment 1-B):

Revenues

Current Year versus Prior Year YTD Comparison - General Fund Revenues (less Transfers In) collected during the first six months of FY 2015-16 are 3.0% or \$534,182 <u>higher</u> compared to the same period in prior year (FY 2015-16 \rightarrow \$18,511,331 vs. FY 2014-15 \rightarrow \$17,977,149). The net increase is primarily due to the increases in Licenses and Permits (\$381,000) and Service Charges (\$268,000) and Other Taxes (\$163,400).

Current Year YTD Comparison – The YTD General Fund Revenues received is 37.6% of the FY 2015-16 amended revenue estimate compared to 37.8% in FY 2014-15.

Current Year Budget Comparison – FY 2015-16 amended budget (minus Transfer In) of \$49,194,700 exceeds the adopted budget revenue estimate of \$48,865,100 by **\$329,600**, or **.7%**. This is due mostly to a \$1.6M combined upward adjustments to Property Taxes and Transient Occupancy Tax offset by a \$1.3M downward adjustment to Sales Tax revenues. A full list of major revenue sources will be discussed in more detail below.

Analysis of City's Major Revenue Generating Categories:

The following provides a detailed analysis of the City's top six (6) revenue generating categories that comprise 93.6% of the General Fund's budgeted revenue for FY 2015-16.

Property Tax – FY 2015-16 YTD receipts are -1.5% or (\$149,425) <u>lower than</u> the previous fiscal year (FY 2015-16 → \$9,534,569 vs. FY 2014-15 → \$9,683,994) mainly due to a lower receipt of Property Tax-Sales Tax In-Lieu. Based on the latest property tax revenue projections provided by the City's property tax consultant, staff is proposing to increase its FY 2015-16 budget estimate to \$20.7 million; an increase of \$700,000 from the adopted budget. This reflects a strong real estate market and impact of Prop 8 which reinstate assessed values to original levels implemented during Great Recession. Property Taxes are the City's largest revenue source and make up 42.1% of the total General Fund revenues for FY 2015-16.

Sales Tax – FY 2015-16 YTD collections were 0.3% or \$6,000 greater than the previous year (FY 2015-16 →

\$2,257,862 vs. FY 2014-15 \rightarrow \$2,251,849) It is important to note that crucial 4th quarter sales tax data has not yet been received, and will have a very significant impact on revenue projection, as the last quarter of every calendar year is the largest sales tax quarter for the year due to holiday shopping.

Based on the Sales Tax received YTD and analysis received from the City's Sales Tax consultants, staff has lowered year-end projections for sales tax revenue to \$7.9 million; a decrease of \$1.1M from original budget estimates of \$9 million. Sales Tax collections along with Measure JJ Sales tax make up 26% of the total budgeted revenues for FY 2015-16, and so, staff will closely monitor its activity.

Measure JJ Sales Tax – FY 2015-16 YTD Measure JJ revenues are -0.5% or (\$8,000) <u>less than</u> the previous year (FY 2015-16 \rightarrow \$1,578,219 vs. FY 2014-15 \rightarrow \$1,586,413).

Based on the Sales Tax received YTD and analysis received from the City's Sales Tax consultants, staff has lowered year-end projections for Measure JJ sales tax revenue to \$4.9 million; a decrease of \$200,800 from original budget estimates of \$5.1 million. Measure JJ Sales Tax collections make up 9.9% of the total budgeted revenues for FY 2015-16.

Other Taxes – This category includes Transient Occupancy Tax (TOT), Franchise Taxes from various utility providers to city residents, Business License Tax, and Real Property Transfer Tax etc. FY 2015-16 YTD collections are 8.7% or \$163,000 higher than the previous fiscal year (FY 2015-16 \rightarrow \$2,035,480 vs. FY 2014-15 \rightarrow \$1,872,078) due largely to a \$67,000 increase in Franchise Tax-Disposal and a \$77,000 increase in Business License Tax. Based on YTD receipts and FY 2014-15 TOT revenue performance, staff has increased its projections to \$8.8 million; an increase of \$791,600 from the adopted budget estimate of \$8.0 million. Other Taxes currently make up 17.9% of the total budgeted revenues for FY 2015-16.

Licenses & Permits – FY 2015-16 YTD revenues for licenses & permits were 51.1% or \$381,139 <u>higher than</u> the previous fiscal year (FY 2015-16 \rightarrow \$1,126,485 vs. FY 2014-15 \rightarrow \$745,346). This is mainly due to an increase in Building Permit revenues related to the Windflower Project, Haz Mat Storage Permits, Parking Permits, and other permits across the board. Staff has increased its projections to \$2.1 million; an increase of \$100,000 from the adopted budget of \$2 million. Licenses & Permits make up 4.2% of the total budgeted revenues for FY

2015-16.

Table 5

Charges for Service – FY 2015-16 YTD revenue collections are 28.3% or \$268,242 <u>higher than</u> the previous fiscal year (FY 2015-16 \rightarrow \$1,215,658 vs. FY 2014-15 \rightarrow \$947,416). This is mainly due to an increase in Plan Check and Inspection Fees related to Windflower Project. Staff has increased its year-end projections to \$2.4 million; an increase of \$79,000 from the original adopted budget estimate of \$2.3 million. Charges for Service make up 4.7% of the total budgeted revenues for FY 2015-16.

GENERAL FUND EXPENDITURES

Expenditures

The YTD comparison of the City's current fiscal year to last fiscal year shows an increase of \$1,656,215, or 8.7% (FY 2015-16 \rightarrow \$20,775,482 vs. FY 2014-15 \rightarrow \$19,119,267). However, the City's current year General Fund expenditures of \$20,775,482 (40.4% of the annual appropriation of \$51.4 million) represented a lower "burn rate" when compared to the prior fiscal year actual expenditures of \$19,119,267 (42.6% of the total expenses for the year).

The increase in year-over-year expenditures is mainly due to the following YTD departmental expenditure trends:

• **City Manager** - <u>\$236,295 increase</u> which is due to legal expenses related to the Tax Allocation Bonds and Windflower project outside legal costs; and consulting fees related to the 2016 Ballot Measure.

• **Finance Department** (former Administrative Services Department) - <u>\$319,608 increase</u> which is due to increased consulting and contractual support cost for IT; and an increase annual software licensing costs.

• **Police Department -** <u>\$1,322,951 increase</u> due to reaching full staffing, department re-organization to address proper supervisory coverage and succession planning, and contractual and consulting costs related to the Dispatch Consolidation project.

• **Non-Departmental** - <u>\$156,127 increase</u> which is due to the new 7-year lease agreement related to the City's network infrastructure. This variance represents the 1st year lease payment.

• **Recreation and Community Services** (former Leisure Services) - <u>\$128,364 increase</u> which is mostly due to increased salaries and benefits costs in UC Sports Center and Kennedy Center.

• These major departmental increases are offset largely by the (\$519,586) decrease in Fire Services

which is due to a combined timing issue in paying the September and December, 2015 invoices (paid in the following Qtr.) and increased costs for the City's contract with the Alameda County Fire Department (ACFD) as planned for in the current year's budget.

CITY MANAGER GENERAL FUND CONTINGENCY ACCOUNT

Current Council policy establishes a City Manager Contingency Reserve Account equal to 0.5% of the annual Ger Fund operating budget. For FY 2015-16, this account equals approximately \$239,000 (1/2% of \$47.8 million). purpose of the account is to allow unbudgeted, but necessary, expenses for supplies, equipment, services and s projects to be incurred without going through the budget amendment process. In return for this authority, it is incuml upon the expenditures from the contingency reserve to be reported publicly on a quarterly basis.

So far this fiscal year, the following appropriations have been made from this account:

| Description | Amount |
|--|-----------|
| Beginning Balance 07/01/15 (@.5% of the Adopted General Fund Operating Budget) | \$239,000 |
| HR Office Remodel | (92,650) |
| Lew Edward Group-Public Education Program for 2016 Ballot Measure | (49,500) |
| Godbe Research-Public Opinion Polling for 2016 Ballot Measure | (31,000) |
| Intern-Climate Action Plan Implementation | (2,340) |
| Preparation of Plats & Legal-Schools & Park property transfers | (24,600) |
| YID Total Appropriation | (200,090) |
| Ending Balance 12/31/15 | \$38,910 |

SUPPLEMENTAL SPENDING AUTHORITY PROPOSALS

As the fiscal years progresses, certain programs and initiatives that were not fully developed when the budget adopted can evolve to the point where they become ready for implementation. Other programs and projects that v foreseen can experience changed conditions that require supplemental funding in order to proceed.

Staff has identified below, the priority needs that require supplemental appropriation:

| General Fund | |
|--|-------------|
| Local Hazard Mitigation Plan | \$100,000 |
| Union City Monitoring Well Destruction | 65,000 |
| Consulting Fee for Traffic Study | 24,100 |
| PERS/OPEB Reserve Funding | 1,378,600 |
| Workers' Compensation Self Ins. Funding | 956,000 |
| Total General Fund | \$2,523,700 |
| Capital Improvement Plan (Fund 2542-ACTIA Streets & Roads) | |
| Overlay Project 91501 | \$250,000 |

GENERAL FUND RESERVE BALANCES

Chart 1 – Summary of General Fund Reserve Balance (with Midyear Proposed Changes)

| Beginning Fund Balance (July 1, 2016) | \$19,347,370 |
|--|---------------|
| Annual Revenues (Projected FY 2015/16) | \$ 50,496,800 |

| NET INCREASE (DECIREASE) IN FUND BALANCE | (\$ 4,328,500) |
|---|----------------|
| Ending Fund Balance (June 30, 2016) | \$ 15,018,870 |
| As % of Expenditures (Excluding Transfer Out) | 29.2% |

A 29.2% General Fund Reserve (Assigned + Unassigned) would cover approximately 3.5 month of operating expenditures should the City find itself in an emergency situation. The Government Finance Officers Association (GFOA) does not provide absolute guidance on the level of unrestricted fund balance since it should be assessed based upon a government's own specific circumstances, but it does recommend an unrestricted General Fund reserve of no less than 2 months (16.67%) of operating expenditures (or revenues)[1]. Thus, the City could exceed this recommendation by approximately 2¹/₄ months or 18.64%.

While the projected FY 2015-16 Year-End General Fund Reserve is certainly encouraging, it must again be noted that it was built with the following **one-time revenue items** from FY 2014-15 that total **<u>\$2.2 million</u>**:

• Transfer In from General Liability Fund (6130) **<u>\$501,163</u>**. These funds were transferred because this Fund was deemed larger than any anticipated need.

• Transfer In from Worker's Comp Fund (6110) **<u>\$956,000</u>**. These funds were transferred because this Fund was deemed larger than any anticipated need. The midyear report proposes to return this amount back to the fund in 2015-16.

• Misc. Receipts of one-time \$775,000 payment from Republic Services. This payment resulted from a settlement agreement with Republic Services.

As stated in the FY 2013-14 year-end fiscal report, per GFOA best practices, use of one-time revenue sources to fund on-going expenses is not generally recommended. It would be more appropriate to use these one-time funds for one-time capital projects that do not result in on-going operating expenditures. Other options would be to:

- Pre-fund time-sensitive operating expenses;
- Strengthen Council policy on the optimum unencumbered reserve amounts. This would also include a discussion as to under what circumstances these funds should be utilized; and
- Pay down existing unfunded liabilities for pension and retiree medical costs.

Specific recommendations are provided in this staff report in subsequent sections.

GENERAL FUND RESEVE POLICY

During the Biennial 2015-16 and 2016-17, the Council adopted Resolution No. 4773-15 which included the follow major changes to the General Fund Reserve Policy:

1. Established an administrative contingency reserve under the City Manager's discretion which is equal to 0.50% General Fund appropriations.

2. Established a minimum General Fund reserve which is not less than 20% of General Fund Appropriations.

3. Set-aside 50% of any General Fund operating surplus (net of transfers) for payments made either directly to o irrevocable trust accounts for the purpose of reducing PERS or OPEB related unfunded liabilities.

As shown on Chart 1, General fund Assigned and Unassigned Beginning Fund Balance is \$19,347,370. The Attachr 2 shows breakdown of total fund balance by various designations established under the Generally Accepted Accour Principles (GAAP) and council policies over the years. Some of the designations are either obsolete or no lon needed and can be combined with designations which are more relevant with current reserve policies. Staff is propo to close the following designations:

Support for 911 Communications – This designation was established when the City implemented a 911 phone which was later declared unconstitutional by the Courts. Staff is recommending to eliminate this designation and tran the balance to unassigned fund balance.

Litigation Contingency – The category was created to earmark funds to settle large litigation settlements. S recommends that it be eliminated as the City is carrying a General Liability ISF Reserve to meet the SIR and other c settlements.

Retirement Benefits – The City established this reserve to payoff accrued vacation and other leave balances u employee retirements or separations. Per GAAP, the City also maintains a Compensated Absence Reserve for purpose. Staff recommends to close this account and transfer the current balance to the undesignated category.

In addition, staff is also recommending to make the following changes:

Economic Uncertainty – This reserve was established to mitigate the impact of unanticipated loss of revenues o increase in expenses due to natural disasters or other operating needs which were not built in the City's operating capital budget. As mentioned above, the Council established a 20% minimum target for General Fund Reserve. Sta recommending that the 20% minimum balance be maintained in the Economic Uncertainty Reserve to serve the purpose. To meet the 20% threshold, staff is recommending to transfer \$4,300,929 from the undesignated according balance to \$7,754,135 which equates to 16% of General Fund appropriations. Staff will continue to idea budgetary savings to fund the reserve to its minimum target level.

OPEB Unfunded Liability Reserve – As mentioned above, Council approved to set-aside 50% of General F operating surplus in a trust account related to PERS or OPEB unfunded liabilities. As reported in the FY 2014-15 CA the one-half of General Fund operating surplus (net is transfers) equals \$1,378,600. Staff is recommending to tran this amount to unfunded liability account to comply with the Council policy. In addition, the City also transfe \$2,052,000 in FY 2013-14 and FY 2014-15 as approved in the operating budget which will bring the total balanc \$3,830,877. Of this balance, \$3,500,000 will be contributed to the irrevocable trust account in the current fiscal y. This will bring the total balance in the trust account to around \$11 million.

General Liability Reserve – The City maintains this reserve in the General Liability Internal Service fund (ISF) to r the Self Insured Reserve (SIR) portion of filed claims. In FY 2014-15 Budget, City transferred \$501,163 reserve and to balance the General Fund operating budget. Staff believes that current reserve balance of \$6.7 million is sufficier meet City's SIR and other legal settlement requirements.

Workers' Compensation Reserve – This reserve is maintained in the Workers' Compensation (WC) ISF to support the SIR portion of the claims. In FY 2014-15 Budget, \$956,000 was transferred to balance the General Fund opera budget. With the General Fund reporting an operating surplus, staff is proposing to transfer \$956,000 back to the Reserve bringing the total to \$8.5 million.

As reported to the Council in a recent study session, the City is facing a serious exposure to the WC claims filed due to the work-related injuries. As the City is liable for each claim up to \$250,000, current benefit payment structure is costing dearly in Risk Pool premium costs. Even though maintaining a healthy reserve will help to mitigate the escalation in premium costs, the City needs to do more to aggressively address the closure of open WC claims. Staff is working closely with the City's Risk Pool (BCJPIA) adjuster to address the closure of open claims in a timely manner.

^[1] Determining the Appropriate Level of Unrestricted Fund Balance in the General Fund by GFOA (October 2009; revised June 2011) - http://gfoa.org/determining-appropriate-level-unrestricted-fund-balance-general-fund

Staff is recommending amendments to adopted revenue or expenditure budgets shown in Attachment 1-B of FY 2015-16 Midyear Budget Update.

Revenues are either positively or negatively adjusted based on currently known factors. Net increase to General Fund revenues and transfers are \$891,000, while Non-General Fund funds are collectively increased by \$996,000.

Staff is recommending the use of \$2,499,600 of General Fund Unassigned Reserve monies to fund expenses related to the Local Hazard Mitigation Plan (\$100,000), and Union City Monitoring Well Destruction (\$65,000). In addition, staff is recommending Transfer of Funds using the General Fund Unassigned Reserve to OPEB Retiree Medical Trust (\$1,378,585), and Worker's Compensation Self Ins. Fund (\$956,000).

Lastly, staff is recommending the use of General Fund current operating revenues to fund the consulting fee for the traffic study (\$24,100). Overall, the combined total Mid-year General Fund expenditure budget adjustment is \$2,523,700 while other funds is \$826,800.

Adopting the staff recommendations in this staff report for supplemental appropriations and transfers from the General Fund Reserves will leave a \$1.3 million Undesignated Reserve in the General Fund that is available for meet unforeseen City needs or priorities.

Staff will continue to monitor revenues and expenditures and report to Council any deviations from budgetary estimates and revised projections presented in this report.

RECOMMENDATION

Staff recommends the City Council accept this informational report and approve:

- A resolution amending and appropriating FY 2014-15 carryover amount of \$2,498,909 to the adopted 2015-16 General Fund operating budget for the Fremont Dispatch Consolidation Project (\$974,590), 7 Center Phase One Project (\$1 Million), Economic Development Marketing Program (\$200,205), and o departments combined (\$324,114) per Attachment 1-A, and
- A resolution amending and appropriating FY 2015-16 adopted operating and capital budget revenue expenditures categories for various funds per Attachment 1-B.

SUBJECT: UPDATE ON GENERAL PLAN LAND USE ALTERNATIVES REPORT AND PUBLIC OUTREACH

Staff is in the process of finalizing the "General Plan Update Land Use Alternatives Report". The report provides an overview of the different land use alternatives that will shape how Union City grows in the future. It is anticipated that the final report will be released by the week of March 14, 2016. An overview of the report's key findings will be presented at the March 8, 2016 City Council meeting.

BACKGROUND

One of the most important decisions the community will make about growth in the General Plan Update process is the location and intensity of new land uses. The Land Use Alternatives phase, a step within the larger General Plan Update, informs the discussion regarding the selection of a preferred land use alternative as the basis for the updated General Plan.

The General Plan Update Land Use Alternatives Report (report) provides information about new land uses being considered for key areas within Union City. These focus areas include the Greater Station District Area, the Union City Boulevard Corridor, and the Horner-Veasy Area. Each of the focus areas includes several potential land use scenarios, which have been organized into five citywide land use alternatives that include the following:

Alternative A: Continues planned uses consistent with the existing 2002 General Plan;

Alternative B: Emphasizes lower density residential;

Alternative C: Emphasizes higher density residential;

Alternative D: Emphasizes a mix of lower-density residential and commercial/employment-generating uses; and

Alternative E: Emphasizes residential and a higher mix of commercial/office/employment-generating uses.

The report evaluates the alternatives on a wide variety of criteria, which address land use, economic and fiscal impacts, transportation and mobility, infrastructure and services, resources, and hazards and safety. The criteria are intended to help community members and decision-makers understand the impacts and benefits of each alternative. Decisions about future land uses will influence how many people will live in Union City, what kind of jobs and businesses will locate and thrive in Union City, where new parks will be built, and where traffic will

flow.

DISCUSSION

An overview of the report's key findings and public outreach efforts will be presented at the March 8, 2016 City Council meeting.

Release of the report will kick off a robust public outreach campaign over the next few months where City staff and the consultant team will be reaching out to the community and a variety of stakeholders to gather input on the different land use alternatives. Outreach activities include:

- Two (2) citywide community meetings including one at the Senior Center on Saturday, March 19 from 10:00 am to 12:00 pm and one at the Holly Community Center on Thursday, March 31 from 6:30 to 8:30 pm;
- Stakeholder meetings with property owners and businesses within each focus area;
- Joint meetings with the Chamber of Commerce and the Alvarado Historic District Merchants Association;
- Planning Commission Study Session;
- Online town hall forum; and
- Other meetings as requested.

Staff will be using a variety of outreach tools to get the word out regarding upcoming meetings as well as other opportunities to provide feedback. These include:

- Email blast to General Plan Update contact list, which includes approximately 10,000 email contacts;
- Electronic flyer distribution through New Haven Unified School District;
- Banners at City Hall, Kennedy Center, and corner of Dyer Street and Smith Street near Sugar Mill Park;
- Posting on Social Media (Facebook, Twitter, Nixle, and Next Door Neighbor), the General Plan update website (www.uc2040.com), and the City's website;
- Press releases to the local newspapers; and
- Outreach to religious institutions.

Public meetings will also be held with the Planning Commission, General Plan Advisory Team, and Economic Development Advisory Team. It is anticipated that staff will return to the City Council at their second meeting in June with a summary of the feedback received to date. At that time, the Council will be asked to consider a preferred option for a land use scenario that will then become the basis for the environmental review.

FISCAL IMPACT

There are no fiscal impacts associated with this report.
