Subject: City Council meeting - September 22, 2020 - Community Policing improvement Agenda Item

Dear Anna,

Please receive below email communication I have sent to Steve Mendez and include it as a part of my public comments for Agenda Item on Community Policing improvement which I plan to speak on at tonight's City Council meeting.

I would like to see the establishment of a Black Agenda in Union City and I believe it complements the goals of our City's Community Policing improvement efforts, in response to George Floyd, which I talked about in previous public comments on the subject matter, for example with respect to equity for people of color.

Sincerely,

David Whatley

Subject: Re: Follow-up to City Council Meeting Tues. Sept. 8, 2020 - Agenda Item 8A - Racial Equity

Dear Steve,

Please receive below communication I have copied you on to Alameda County & the City of Santa Monica, which, as i believe some in the City are aware, is where my advocacy practice is based.

In follow-up to prevous communication I have had with the City with regard to justice and equity for people of color, including most recently our City Council meeting on George Floyd-----I would like to see also a Black Agenda established in both Union City and Alameda County as has been done in Santa Monica. --Like myself, I know that you wear many hats in our community...please send this to the best person in the City with whom I may follow-up and I will also be mentioning this at our next City Council meeting.

Thank you,

David
